## ADVISORS LLC

New York State Certified  
Service-Disabled Veteran-Owned Business

## ABOUT US

Mavec Advisors, LLC (a NYS certified SDVOB) was founded in 2011 as a staffing firm and has built on those capabilities to meet the changing needs of clients; adding refrigeration supply and install, construction management services and more. From staffing airport projects and power utilities to delivering thruway service area refrigeration, we are focused on exceptional project outcomes at every point in the process.

Welcome to Ardsley

## PROJECT EXPERIENCE

- NYSTA: NYS Thruway Service Areas – 17 Locations to include interior and exterior walk-ins, reach-ins and c-store packages
- In-house installation team executes builds and performs service calls
- Custom field adjustments
- Commissioning services
- Covering entire state of New York
