

MILLWORK (SUPPLY & INSTALL)

MAVEEC GROUP, LLC

New York State Certified
Service-Disabled Veteran-Owned Business

ABOUT US

Mavec Group, LLC (a NYS certified SDVOB) was founded in 2011 as a staffing firm and has built on those capabilities to meet the changing needs of clients; adding millwork supply and install for some of the most recognizable international brands. From staffing airport projects and power utilities to delivering thruway service area refrigeration and millwork, we are focused on exceptional project outcomes at every point in the process.

RECENT PROJECT EXPERIENCE

- NYSTA: NYS Thruway Service Areas – 12 Locations to include interior millwork packages for common areas and QSRs
- In-house installation team executes builds
- Custom field adjustments
- Covering entire state of New York
