Our exceptional people deliver your exceptional results

Staffing Augmentation and Recruiting Through carefully designed searches and expansive industry networks, Mavec provides strategic talent in virtually every field - with special expertise in executive management, project managers, safety, quality, inspectors, coordinators, analysts, accounting, IT-related and other skilled professional services requirements

Contract Compliance Mavec manages contract reporting requirements (i.e. personnel and payments) to both the contracting agency and other required authorities

Diversity Management Mavec supports clients in identifying certified and capable MWBE/SDVOB firms, conducting outreach in accordance with Good-Faith-Efforts and developing utilization plans to ensure the contract meets outlined requirements
